Yes, we are. We will of course leave this deposition open, given the new production that we will not be able to load tonight, but we can deal with that later.

Thanks,

Marlene

Sounds good Marlene. Good luck with the shot and I totally understand if we need to reschedule. I just had mine. See you Thursday.

Ernest,

I understand that you will be defending the deposition of Blessy Johns. I wanted to let you both know that I am getting my second COVID shot tomorrow morning and am planning to do everything I can to ensure we can move forward on Thursday. In the event that we have any issues, I'll of course let you know, but for now, I look forward to meeting you (at least via zoom) on Thursday morning.

Thanks,

Marlene
